PÁLINKA FRUIT SPIRITS & LIQUEURS

INTRODUCTION TO PÁLINKA

Pálinka is the protected Hungarian name for pure fruit spirits. Pálinka can only be distilled from pure fruit, vegetables and berries without any added sugars, flavours or additives. This is the purest form of fruit liquor. We also offer a range of Pálinka liqueurs and infusions, and we also infuse our own flavours from imported Hungarian Pálinka base spirits.

PÁLINKA SAMPLER FLIGHTS

Try these samplers to get acquainted with Palinka and to sample the diversity of unique flavours and fruit varieties.

We regularly change our samplers to showcase our ever changing Palinka inventory, and it also helps keep things interesting.
